

Sand

Nirmaan- India's no.1 marketplace

for building and construction material online

Best solutions using our vast domain knowledge, disruptive innovation, and radical approach, as well as the best technology.

Vision- To build an e-commerce ecosystem that allows the real estate and construction industries to have a transparent, collaborative, and seamless experience while saving time and money.

Building Together- We're expanding quickly and can meet all of your building material needs from start to finish. Clients no longer need to rely on several partners and suppliers, thanks to our end-to-end service approach.

Building on Trust- Our goal is not merely to sell, but to assist you in selecting the highest-quality materials for any construction project.

Buying sand has never been easier- Top quality river sand and manufactured sand delivered at your doorstep on time, everytime.

COMPETITIVE PRICES WITHOUT COMPROMISING WITH THE QUALITY.
